**Steam Generator**

**Features**
- Intended for Commercial Hospitality use, in private Hotel suites and similar rental properties
- Limited 1 year parts, 90 day labor warranty where available
- Proportional Steam
- Microprocessor based diagnostics and LED indication
- Stainless steel tank construction
- Intelligent control communication
- UL/CUL Listed

**Required Equipment**
- TSC Model Control

**Required Electrical Service**
- Dedicated circuit required: See Specification Chart for proper electrical requirements

**Product Information**
- Water Supply - ¼" Compression Fitting, 120 PSI Max
- Steam Outlet - ¾" Brass NPT male thread
- Pressure Relief Valve - ¾" NPT female thread
- Drain Outlet - Capped ½" Brass NPT male thread
  (Optional AutoDrain Valve available)
- Supplied with a 35’ control cable

**Generator**
- Weight - 30 lbs.

**Installation Notes**
- Supplied Warning Plate MUST be permanently installed in a highly visible location near entrance of the steam room.
- For optimum performance, the steam generator should be mounted as close as possible to the steam room. If needed, the steam pipe may be up to 50' long.
- Steam Generators should be accessible for service.
- Do NOT install near flammable material such as paints, thinners, gasoline, etc.
- Steam generators must NOT be installed outdoors, in moist, humid areas, in areas prone to freezing, or extreme heat such as an unventilated attic. To do so will void the warranty.
- Steamhead to be mounted 12" to 18" above floor or 6" above rim of tub and as far from the seating area as possible.

**Service Access**
- Minimum: 21" L x 20" W x 22" H (28" L with AutoDrain)

**WARNING:**

Disconnect electric before removing covers.

CAUTION:

Supply connection wires must be suitable for 90°C. Always follow national and local codes.

CAUTION:

Hold all fittings securely while connecting pipes. Do not install a shut-off valve on the steam outlet.

DANGER:

To reduce risk of explosion, do not interconnect multiple steam generator outlets.

**CAUTION:**

This unit must be installed in a dry, non-freezing indoor location.

**WARNING:**

Elderly persons, pregnant women, or persons with heart disease, high blood pressure, diabetes, or not in good health must not use this device unless directed by a physician. Also, steam bathing should be avoided while intoxicated.

**CAUTION:**

Install with arrows pointing up.

**READ ALL INSTRUCTIONS!**

**CAUTION:**

Always follow code.
